"I believe that home construction taken to it's highest level becomes art" is the driving thought of David Frym, owner of Northbay Kitchen & Bath and D & R Construction. "The secret to our success is simple - we have a passion for what we do and we believe in providing exceptional personal service to all our clients." Our sales staff is comprised of design professionals who assist in every aspect of selection and use the latest in computers and internet research to provide you with the value for your project from "design to completion". We work with our customers, our customers' contractors or provide our own crew of qualified workers to complete your home improvements. Northbay Kitchen & Bath offers the finest selection of faucets, fixtures, cabinets, and stone products in the entire North Bay. We feature many kitchen and vanity vignettes with an ever ending expanding of high end product lines.

At Northbay Kitchen & Bath, we feel that a close relationship with our clients and intense attention to detail is the key to creating that personal space of your dreams. We believe that each client deserves the highest levels of focus on the many details of your project.
